

INTERAC E-TRANSFER

Bethel Community Church

Interac e-Transfer is a simple, convenient, and secure way to send and receive money directly from one bank account to another. All you need is access to online or mobile banking through a participating financial institution, and you can send your donation to Bethel Community Church — without sharing any personal financial information. It's a great alternative to cheques and cash.

To give using Interac e-Transfer, simply login to your online or mobile banking app. Once you're logged in, navigate to the transfer fund option and choose "Send e-Transfer". Add Bethel Community Church as a recipient, using the email address provided below:

give@bethelwpg.com

Enter the amount you would like to donate, then choose the account you would like to transfer money from. In the message/memo field of your transaction request, please indicate what fund(s) you are wanting your donation to go to. You can split your donation between funds if you so desire. (Example: If your donation is \$100 your note could say - \$25 GF, \$50 TF, \$25 BF or any other combination of amounts and funds you would like to support). Also, if it's your first time giving through e-transfer include your mailing address to receive a tax receipt at the end of the year.
